

Mountain Dog Lodge

Daycare And/Or Boarding Application

Instructions : If you have more than one dog, each dog will need a separate form. You do not, however, need to repeat the information about yourself - please fill out form completely.

We do know this form is long, but it only needs to be filled out once, and we feel better knowing as much as possible about your dog before he/she comes for a stay. :)

Agreement

I certify that I am the owner or agent of the aforementioned dog, and that I am authorized to board the dog and sign this form. I authorize Mountain Dog Lodge to contact my veterinarian in order to confirm health, temperament, and vaccinations. I give consent to Mountain Dog Lodge to act on my behalf by obtaining veterinary care at my expense, should Mountain Dog Lodge deem it necessary. I have read the schedule of fees and agreed to pay all charges at checkout, unless previously arranged. I release Mountain Dog Lodge (and its agents and employees) from any liability or claim due to injury or death of my dog, unless Mountain Dog Lodge has been negligent in the care of my dog. I understand that under no circumstances will Mountain Dog Lodge be liable for consequential damages or demands

beyond the replacement value of my dog.

Finally, I realize Mountain Dog Lodge is not your typical boarding facility in that they are offering a special “like home” service for special dogs. I certify that I know my dog and his/her behaviours and that any destruction of the Lodge and its property (chewing through walls/doors, destroying pillows/blankets/beds) caused by my dog is my responsibility and I will be responsible for the replacement cost of such damage.
